To whom this may concern,

This document confirms that the above-identified account holder generated and/or edited the identified visual asset through the FigureLabs platform while holding an eligible subscription plan.

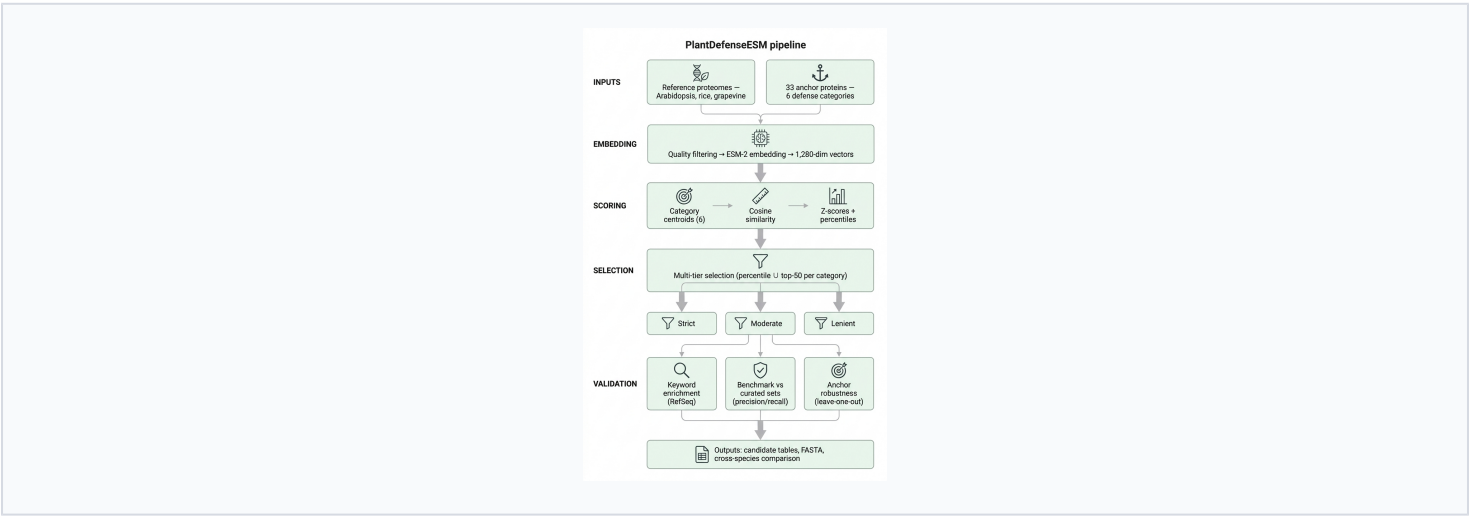

Subject to the FigureLabs Terms of Service and the subscription status associated with the account above, FigureLabs authorizes the account holder to use, reproduce, display, distribute, and publish the identified asset for commercial, academic, educational, and professional purposes.

Rights Basis: FigureLabs does not claim ownership of the raw AI-generated portions of the asset. To the extent FigureLabs owns or controls any transferable rights in FigureLabs-created assets, templates, or other protected platform elements incorporated into the identified asset, FigureLabs grants the account holder a non-exclusive, worldwide license to use such rights in connection with the identified asset.

Permitted Modifications: Minor formatting, cropping, resizing, labeling, annotation, and layout adjustments are permitted. Material edits, re-generation, composition changes, or a new export may require issuance of a new authorization document.

Important Limitations: This document is a contractual authorization issued by FigureLabs. It is not a copyright registration, government-issued certificate, legal opinion, or guarantee of publisher, journal, marketplace, or platform acceptance.
